what is Holy Trinity here for?

At Holy Trinity we aim to be a loving church family.

We welcome everyone where they are.

We want gently to help them to understand Jesus Christ more, and draw closer to him.

We believe what faithful Christians have always believed about Jesus Christ:

- ⇒ he truly lived, died and rose again
- ⇒ he really is God come to us in human form
- ⇒ encountering him is the most life-changing event in anyone's life
- ⇒ only he can save us, by restoring our broken relationship with God

who are we?
