

a **passion** for life

1910-2010 and beyond!

February 2010 marks the centenary of the Holy Trinity church building. To celebrate this, we're having a mission initiative called 'A Passion for Life'. (This is a national initiative which many other churches round the country are involved in for Easter 2010.)

Between February and Easter next year we will have a series of events which aim to celebrate all that the Lord has done for Trinity in the last hundred years, and especially to do that in a way which reaches out to new people in our community with the gospel of Christ.

So we need now to get praying:

- ❖ thank God for all the ways he's been faithful to Trinity in the last hundred years
- ❖ ask God to give the Passion for Life Planning Group wisdom and imagination to plan a great 'Passion for Life' mission
- ❖ ask God to use 'Passion for Life' to reach out to new people with the great gospel of Christ
